Anna Odell's exhibition "Rekonstruktion – Psyket" at Cecilia Hillström Gallery

Friday, January 12, 2024

Introducing Anna Odell's debut exhibition, *Rekonstruktion – Psyket*, featuring video and photography at the gallery. After acclaimed films like *The Reunion* and *X&Y*, Odell returns, showcasing her latest project developed during an artist residency at the Centre for Medical Humanities, University of Uppsala. The exhibition explores power dynamics in psychiatric care, based on Odell's personal experience. It delves into ethical dilemmas when boundaries blur between patients and caregivers, questioning the consequences for both individuals and the institution. The exhibition runs until 17 February.

Opening Thursday 11 January 17:00–20:00

Tuesday–Friday 11–18, Saturday 12–16 and by appointment
